

# You are invited to a community event to discuss: Integration in Our Schools and Communities

You are invited to participate in a community event designed to shape the direction of voluntary integration learning opportunities for students in the East Metro area. East Metro Integration District 6067 (EMID), a collaborative effort involving St. Paul and nine suburban school districts, was formed to foster voluntary integration among East Metro urban and suburban students. EMID currently provides schools, programs, and services designed to support and enhance integrated learning opportunities for the ten collaborative member districts and the communities they serve.

This event will bring students, parents, community leaders and other residents from all ten districts together to respond and react to suggested revisions to the current EMID Integration Plan. The evening will include an overview of recommended revisions to the current desegregation plan and small group discussions where your feedback is needed. *Dessert and beverages will be served.*

- Date:** Monday, February 25, 2008
- Time:** 6:30 PM to 8:00 PM
- Location:** Harambee Community Cultures & Environmental Science School, 30 East County Road B in Maplewood
